

THE DNR MISSION

The Department of Natural Resources preserves, protects, enhances and restores Maryland's natural resources for the wise use and enjoyment of all citizens.

THE NRP MISSION

The Maryland Natural Resources Police serve as a public safety agency with statewide authority to enforce conservation, boating, and criminal laws, as well as to provide primary law enforcement services for Maryland's state parks, state forests, and public lands owned and managed by the Maryland Department of Natural Resources. The agency is also responsible for maritime and rural search and rescue, and is designated as the state's lead agency for homeland security on Maryland waters; and in all of its operations and activities strives to provide superior service to all of Maryland's citizens and visitors who enjoy the state's natural resources.
